Web development Lab Exercise #01		Evaluation:
Student Name & Number		
Instructor:		Date:

HTML is the standard markup language for creating Web pages.

- HTML stands for Hyper Text Markup Language
- HTML describes the structure of Web pages using markup.
- HTML elements are the building blocks of HTML pages.
- HTML elements are represented by tags.
- HTML tags label pieces of content such as "heading", "paragraph", "table", and so on
- Browsers do not display the HTML tags but use them to render the content of the page.

The HTML document begins with `<html>` and ends with `</html>`.

The visible part of the HTML document is between `<body>` and `</body>`.

A Simple HTML Document

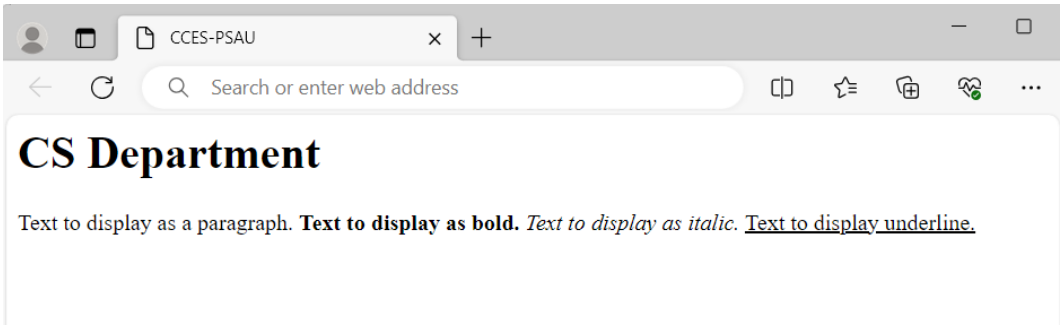
```
<html>
<head>
<title>Page Title</title>
</head>
<body>

<h1>My First Heading</h1>
<p>My first paragraph.</p>

</body>
</html>
```

- The `<html>` element is the root element of an HTML page.
- The `<head>` element contains meta information about the document.
- The `<title>` element specifies a title for the document.
- The `<body>` element contains the visible page content.
- The `<h1>` element defines a large heading.
- The `<p>` element defines a paragraph.

Q1. Design a webpage named “page1.html” having the same rendering of the figure below.

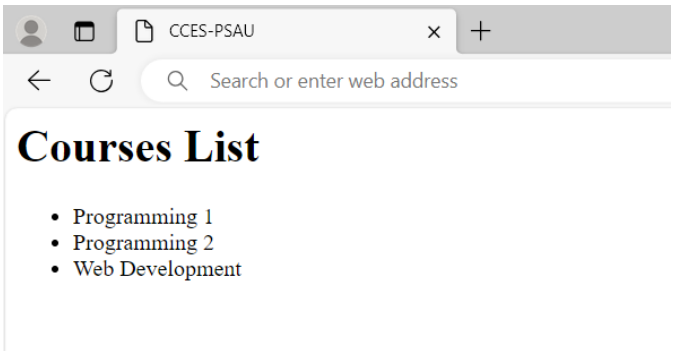


Q2. Add a link to Prince Sattam University website (http://psau.edu.sa).

Q3. Change the color of the title to red and make it centered. (Hint: you may use these attributes and values: align="center" style="color:red")

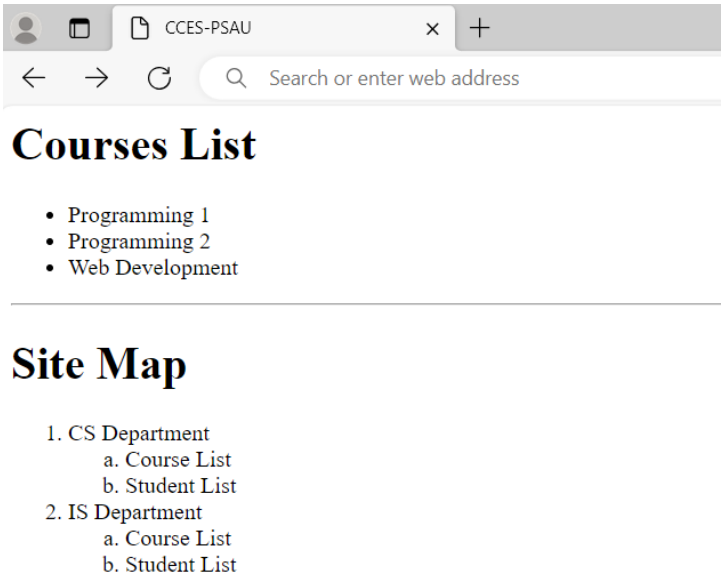
Q4. Add a meta tag to reload the page every 5 seconds. (Hint: you may use these attributes and values: http-equiv="Refresh" content="5; URL=page1.html")

Q5. Design a webpage named “page 2” containing a list of courses like the figure below.



Q6. Add a meta tag to redirect page2.html to page1.html after 10 seconds.

Q7. Add a horizontal line and an ordered list for the site map like the picture below. (Hint: you may use this attribute and value for the inner ordered lists: type="a").



Q8. In the site map insert a link for CS department to redirect to “page1.html”.

Q9. Insert an image of Prince Sattam University at the end of page2.html aligned at left, width=100 and height= 100.
